

**VI. CU NightRide**

- a. Since last meeting, NR has had 1013 requests. 81 came back with no drivers available. Average wait time is 22 minutes. NR has been getting good reviews, with a 98% satisfaction rate (their only options are 0% and 100%).
- b. NR is very understaffed, at 25 employees including eight leadership members who don't work regular driving shifts. Ideally, we would have 40-50 drivers.
  - i. Resignations were mostly due to financial reasons (finding a higher paying job without hour limitation).
  - ii. Hesitations for joining include safety precautions. Many students feel unease about working alone with high gun violence and drug abuse occurrences, plus getting home after shifts can be an issue.
  - iii. NR expects to be fully staffed about 10 weeks into the semester.

**VII. Student Veterans Association**

**VIII. Center for Student Involvement**

**IX. Environmental Center**

**X. CUSG**

- a. **Executive**
  - i. CUSG has a meeting tonight where they will be discussing a new board archival and storage system.
- b. **Legislative**
  - i. Legislative board is unable to delegate proxies but this shouldn't affect the UMC Board.

**XI. Feedback**

**XII. Old Business**

- a. We need a board member to join the search for the assistant director of belonging.
  - i. This mostly entails having candidates on campus to be part of committee interviews.
  - ii. Tre has volunteered to fill this need.
